August 26, 2025 – Resound: The Power of God’s Presence – Ted Panopio

Day 2

Numbers 23, Verse 21

“He has not observed iniquity in Jacob, Nor has He seen wickedness in Israel. The Lord his God is with him, And the shout of King is among them.

This something that we can meditate again and again as we continue to understand the shout of the King. The power of God’s presence in us should give us more confidence and strength to fulfill the task God has given each and every one of us. As we continue to walk in obedience with God, He will constantly reveal Himself to us greatly and will make way for us to fully understand His heart for His people.

In Exodus 33:14-15 “And He said, “My Presence will go with you, and I will give you rest.” 15, Then he said to Him, “If Your Presence does not go with us, do not bring us up from here.” In this conversation between God and Moses, we can see here the intimacy of Moses with God. A personal relationship where he was able to express and communicate with God openly.

This is one thing God wants us to remember that He is and will always be with us as we continue to obey Him and complete the mission He has given us especially this time and season. He wants His bride to remain faithful to Him while waiting for His return.

As we await for the return of Jesus Christ, through us, through the Body of Christ, God wants us to bring His message to many people around us and prepare them as well in His imminent return.

Life Application:

- Let’s continue to walk in obedience with God.
- Pay close attention to what God is telling us.
- Always remember that we are carrier of God’s presence.
