The Heavenly Throne Room

“After these things I looked, and behold, a door standing open in heaven. And the first voice which I heard was like a trumpet speaking with me, saying, “Come up here, and I will show you things which must take place after this.”

Immediately I was in the Spirit; and behold, a throne set in heaven, and One sat on the throne. And He who sat there was like a jasper and a sardius stone in appearance; and there was a rainbow around the throne, in appearance like an emerald. Around the throne were twenty-four thrones, and on the thrones I saw twenty-four elders sitting, clothed in white robes; and they had crowns of gold on their heads. And from the throne proceeded lightnings, thunderings, and voices.

Seven lamps of fire were burning before the throne, which are the seven Spirits of God. Before the throne there was a sea of glass, like crystal. And in the midst of the throne, and around the throne, were four living creatures full of eyes in front and in back.”

Revelation 4:1-6 NKJV

“Then suddenly, after I wrote down these messages, I saw a portal open into the heavenly realm, and the same trumpet-voice I heard speaking with me at the beginning said, “Ascend into this realm!

I want to reveal to you what must happen after this.” Instantly I was taken into the spirit realm, and behold—I saw a heavenly throne being set in place and someone seated upon it. His appearance was sparkling like crystal and glowing like a carnelian gemstone. Surrounding the throne was a circle of green light, like an emerald rainbow. Encircling the great throne were twenty-four thrones with elders in glistening white garments seated upon them, each wearing a golden crown of victory. And pulsing from the throne were blinding flashes of lightning, crashes of thunder, and voices.

And burning before the throne were seven blazing torches, which represent the seven Spirits of God. And in front of the throne there was pavement like a crystal sea of glass. Around the throne and on each side stood four living creatures, full of eyes in front and behind.”
