July 5, 2025 – The Lost Art of Intercession – Myra Ilagan

Today and tomorrow, let us mull and meditate on this week's posts - RESTORING THE MORAVIAN FIRE.

- Intercession is a privilege. Jesus invites us to do the same He does - continuously intercedes (Romans 8:34 and Hebrews 7:25).
- The Moravians modeled a lifestyle of hosting the presence of God that fueled their 100+ years of prayer meetings.
- Have a willing heart to be the altar. The same Spirit that fell in the upper room and burned in Herrnhut is still moving today.
- Will you stand in the gap for others just like Aaron did in Numbers chapter 16?
