Authority Over the Nations by Francis Frangipane

Meditation:

"Joram king of Israel and Ahaziah king of Judah went out, each in his chariot, and they went out to meet Jehu and found him in the property of Naboth the Jezreelite. When Joram saw Jehu, he said, 'Is it peace, Jehu?' And he answered, 'What peace, so long as the harlotries of your mother Jezebel and her witchcrafts are so many?'"

2 Kings 9:21-22

There is a war going on. It involves the future of our nation. In this war, even Christian leaders are occasionally isolated, deceived, and then trapped by the enemy in sin. I know some may be weary of hearing about the spirit of Jezebel; they just want peace. But what peace can there be in our land so long as the harlotries of Jezebel and her witchcrafts are so many?

When I warn of Jezebel, I am not saying beware of the rebellious women at church (rebellion is a gender inclusive sin!). No, I am speaking of a spirit whose influence is far more expansive and its power far greater. Whether its access to our culture is through the entertainment industry, the Internet or is manifested more subtly through subconscious modification of our cultural mores and standards, its influence is pervasive.
