“...I am still flying high! When I arrived home... my daughter was so excited for me. She measured my height and I grew 1.5 inches! I am so very grateful. Also knowing that our Father does not leave any miracle partially done. I am truly believing and expecting that He will bring me back to my original height with a straight back! Praise the Lord!” - Barbara Tablante

From Pastora Lucylee: “Amen... We all had a great time with the Lord in that conference and with the body of Christ. Truly, God is working even when we don't see it. But we were all filled with His love. We felt it in our worship. Thank you... for your team in leading us to worship. We felt His love in His words.

“During the seminar, I rededicated myself to God, renewed my relationship with Jesus as the bride, and was revived and energized in the continuance and the furtherance of the message of God. Second, the life of Missionary Erlinda, standing proclaiming the message of God in that age, is already a living testimony even she doesn't speak. I'm blessed to be a part of that conference.” - Pastor Regina Miguel

Prayer: Let God arise... His enemies scattered!
