## ***Jesus Gave Glory to God***

Jesus gave glory to God throughout His life by living in total devotion to the Father, which was demonstrated through His perfect obedience, selfless love, and sacrificial death and resurrection. His life was a testament to seeking the Father's glory above His own, as seen in His actions like healing the sick, teaching the truth, praying, and ultimately offering His life as a sacrifice. Through His life, death, and resurrection, Jesus fulfilled the work God gave Him to do, making it possible for God to be glorified.

Obedience: Jesus lived in perfect obedience to God the Father, fulfilling the mission and work God gave him to do. This obedience was demonstrated in his actions, including his submission to temptation and his ultimate sacrifice.

Service and love for others: He consistently humbled himself to serve others, showing compassion to the sick, hungry, and rejected. His actions of selfless love and kindness were intended to bring glory to God.

Prayer: Father we exult you! Honor you for who you are! Jesus honored you by His absolute obedience' help us to be like you Jesus!
