Jesus Gave Glory to God (Part 2)

Prayer: Jesus's prayers were always centered on glorifying His Father and Hallowing God's name, as seen in the Lord's Prayer He taught His disciples.

Fulfilling His mission: He accomplished the work the Father gave Him to do, which included freeing captives, saving the lost, and ultimately, dying for humanity, which brought glory to God.

Bearing fruit: Jesus taught that God is glorified when believers "bear much fruit," which He defined as loving one another as He has loved them.

Honoring the Father's glory: Jesus consistently pointed to the Father rather than seeking personal glory. He stated, "I do not seek my own glory," because His glory was intertwined with the Father's glory.

The ultimate glorification: Through His death and resurrection, Jesus was ultimately glorified by the Father. His exaltation to the highest place was "to the glory of God the Father," and He desires that His followers be with Him to witness that glory.

Prayer: Father in all things help us to honor you! Every moment I acknowledge your presence and walk therein! We love you Lord!
