Jesus Glorified the Father!

“This is what Jesus prayed as he looked up into heaven, ‘Father, the time has come. Unveil the glorious splendor of your Son so that I will magnify your glory! I have glorified you on the earth by faithfully doing everything you’ve told me to do. So my Father, restore me back to the glory that we shared together when we were face-to-face before the universe was created.’”

John 17:1, 4-5 TPT

Insights on God's glory:

The glory of God is the manifest presence of a God who is infinite in beauty and perfection. It is the evidence of who He is, His holiness, His power, His goodness and His love, here on earth. As people of God, we do not just hope that His glory would come by chance, but we have faith and trust that He will show up, not just in big events or conferences, but in every aspect of our lives, even in the mundane things. We are to be carriers of that glory, hosting His presence wherever we go and in whatever we say or do. There is something so amazing and so incredible when people truly experience His glory. Lives are completely transformed and changed through just one glimpse of His glory. As He is a God who is pure and holy, we are made to be the same through abiding in Him. It is my prayer to continue to be someone who acknowledges that His glory, His presence, is with me at all times, moving in me and working through me.

Prayer: Father help us by Holy Spirit to always desire to give God glory for everything and for all things as our worship!
