The Return of Jesus: Our Blessed Hope

As forerunners and messengers of the end times we are so looking forward to the return of Jesus... our blessed hope! The recovery of the Maranatha cry is our message too because we are looking for the full restoration of God's creation...our blessed hope.

What is Hope?

Hope

verb

- To wish for a particular event that one considers possible. "We are hoping for more financial support."
- To have confidence; trust.

noun: to cherish a desire with anticipation : to want something to happen or be true

archaic: TRUST

transitive verb

A transitive verb is an action verb that requires a direct object—a noun or pronoun—to complete its meaning, transferring the action from the subject to that object :

to desire with expectation of obtainment or fulfillment

hopes to be invited

I hope (that) she remembers.

We hope (that) you feel better soon.

They hope to succeed.

A believer's hope: But as it is, they desire a better country, that is, a heavenly one. Therefore God is not ashamed to be called their God, for He has prepared for them a city." (Hebrews 11:16)

According to Joel Richardson... The people of God have always lived with their eyes fixed forward. From Abraham to the apostles, the righteous have always lived as strangers and exiles on the earth, not because they despised the earth, but because they awaited and yearned for its redemption, its return to perfection. They desired "a better country," a renewed world under the reign of the promised King of Israel. Living with this longing has always defined the people of God.
