The Revelation of God Changes Us (Part 2)

The Spirit longs to be our escort into the treasure of the deep things of God's heart. The Spirit is the only One able to escort us into the deep things of God, but He will only lead us on His terms.

"The Spirit searches... the deep things of God... We have received...the Spirit who is from God, that we might know the things that have been freely given to us by God."

1 Cor. 2:10-12

The Spirit knows Jesus more than we can imagine. He came to glorify Jesus in the human heart by revealing to us as much of God as we are hungry for. The Spirit will put Jesus on center stage.

"The Spirit of truth... will guide [escort] you into all truth... He will glorify Me, for He will take of what is Mine and declare it to you."

Jn. 16:13-14

He is indescribable in who He is. There is no one like Him. Daily focusing on these unique dimensions of Jesus personhood. Not just what He does, but who He is. Let us love to be lost in the splendor of this man. I mean, just infinite love and wisdom and power.

He is so interesting. He is so dynamic. He is so intriguing. He is much, much more than that. He didn't just stamp my passport. He will fascinate us forever, but we don't want to wait for the resurrection. Let us want to grow in my experience even now.

Prayer:

Father God, let us come into Your presence and be transformed into a fascination that will last forever. Let this fascination carry me past the obvious and into the secret place of eternity not yet seen by man's physical eyes, only attained by the supernatural lenses of Holy Spirit.
