The Supremacy of Jesus: Seven Facets of His Magnificence (Part 4)

Jesus is the Sustainer of the Universe

Jesus sustains the worlds in the same way that He created them, by words that release His power (Gen. 1:3; Heb. 11:3). To uphold all things means to “sustain” or “support” them continuously.

3And upholding all things by the word of His power... (Heb. 1:3)

Creation cannot sustain itself; it needs a continual impartation of power and energy to keep it in order.

The universe operates according to laws of nature that are sustained by Jesus’ word.

When scientists discover the laws of nature, they are discerning of the sustaining power of Jesus’ word.

Prayer:

Father you are the creator of heaven and earth, you uphold creation by word Your Word... Your Word made flesh and dwell among us... as many as receive Jesus are made children of God! Your creation receives you and your creation is sustained by your word!
