Jesus, a Bridegroom with a Burning Heart of Love (Part 3)

The Nature of God: Love

The Spirit's agenda is to establish the first commandment in first place in the Church forever. We are called to love Him with all our heart and mind because this is how He forever loves us.

37You shall love the Lord...38This is the first and great commandment. (Mt. 22:37-38)

We are a great part of Jesus' story. The very existence of a Bride, equally yoked in voluntary love filling the earth, is a significant part of His glory and supremacy being manifest before all.

We are the work of His hands (Eph. 2:10). We are one way He wants to be known. Jesus does not want us disconnected from His story or glory. He loves us. He is not trying to dismiss us or minimize us.

Our salvation and love for Him are a significant part of His work. He came up with the original relational plan to dwell with His people in the garden of Eden.

Salvation restores fellowship with the Trinity and the partnership with God that once occurred in Eden. Jesus, the last Adam, will be with His Bride in the garden, walking with the Father.

Prayer:

Father you have shed abroad Your love by the Holy Ghost... You have that investment in us... Holy Spirit love is abounding in us... our love for you is powerfully sustained by this love...
