The God Who Speaks

In the last many years now, I have been learning how to listen! I remember the Spirit of God leading me to discern when to just sit quietly for the purpose of listening. My discovery is that God is speaking to me! I remember being amazed at the clarity of His voice and language. It helped me articulate what He is saying in a language that I can use to communicate in an earthly sense, so the world can understand even when the source of the word came from the heavenly place!

The other thing that I have continually learned is that as I posture to listen, that posture becomes more of a praying attitude. In that posture I gained more closeness to God! My prayer in these next few days is for us to HEAR the Voice of God, learn His language, and be able to articulate what He says to be understood by those around us. My hope is for us to develop an attitude of humility as we WAIT! Let us look at Psalm 29 in the TPT Bible.

“The voice of the Lord echoes through the skies and seas.
The Glory-God reigns as he thunders in the clouds.
So powerful is his voice, so brilliant and bright—
how majestic as he thunders over the great waters!
His tympanic thunder topples the strongest of trees.
His symphonic sound splinters the mighty forests.
Now he moves Zion’s mountains by the might of his voice,
shaking the snowy peaks with his earsplitting sound!
The lightning-fire flashes, striking as he speaks.
God reveals himself when he makes the fault lines quake, shaking deserts, speaking his voice.
God’s mighty voice makes the deer to give birth.
His thunderbolt-voice lays the forest bare.
In his temple all fall before him with each one shouting, “Glory, glory, the God of glory!”
Above the furious flood, the Enthroned One reigns, the King-God rules with eternity at his side.
This is the one who gives his strength and might to his people.
This is the Lord giving us his kiss of peace.”

Psalms 29:3-11 TPT

Prayer:

Lord God we ask for the understanding of your voice! You are the God who speaks, not just to command, but to romance us, your people, into a relationship that births a calf!
