His Voice Produces Terrifying Effects

When He utters His voice, there is a tumult of waters in the heavens,
And He causes the clouds to ascend from the end of the earth;
He makes lightning for the rain,
And brings out the wind from His storehouses.
Jeremiah 10:13

As we continue to study and meditate the voice of God, its power, and its terrifying effects and manifestations, we pray we be changed by the beauty and majesty of His sound! What is your voice? What are you saying? What shall I be?
