His Voice Hands Down Judgment

Then He cried out in my hearing with a loud voice saying, “Draw near, O executioners of the city, each with his destroying weapon in his hand.”

Ezekiel 9:1

This chapter is a chapter of judgment on the house of God and God’s people “who did not sigh” (Did not cry or pray for the sinfulness of the nation). Think about the power of His judgment (Read the whole chapter).

Prayer:

Let Your judgment lead us all to walk in righteousness. Help us walk in the fear of Your wrath. In wrath, give us mercy!
