The Cherubs Speak His Glory

I also heard the sound of their wings like the sound of abundant waters as they went, like the voice of the Almighty, a sound of tumult like the sound of an army camp; whenever they stood still, they dropped their wings.

Ezekiel 1:24

I notice that even the sound of the cherubs' wings seems to speak of heavenly glory! Their movements are like a dance to a cadence of tumult, army troops in array!

Father, give us ears of tender glory to hear your heavenly wonder! Lead us towards the magnet of your wonderful presence.
