

Forerunners for Christ Los Angeles

July 19, 2024 – The Voice of God – Erlinda Cruz

His Voice Produces Tremendous Effects

When He utters His voice, there is a tumult of waters in the heavens,
And He causes the clouds to ascend from the end of the earth;
He makes lightning for the rain,
And brings out the wind from His storehouses.
Jeremiah 10:13

We continue to see tremendous effects when the voice of God is released. Tumult happens and lightning strikes to also bring rain, With all these powerful demonstrations, how can we not fear God?

I am amazed beyond words with the inability to still understand the power of God's voice.
I am undone at the realization of who He is!

Prayer:

How majestic you are Lord!
How beyond understanding!
Yet I hear you! You speak to me and not die!
