Day 2: God's Glory in Creation

"He sent His word and healed them, And delivered them from their destructions."

Psalms 107:20

"Your words are so powerful that they will kill or give life, and the talkative person will reap the consequences."

Proverbs 18:21 TPT

"Words kill, words give life; they're either poison or fruit—you choose."

Proverbs 18:21 MSG

In Genesis, we see God! We hear God! We see His creation come to existence! You can hear His heart's desire to prepare a beautiful place for His crown creation: man.

Five days He filled the earth with the heavens, the heavens with constellations, stars, and planets with His Words. He separated the night from the day, darkness from light, sea from land, animals and insects, plants and vegetation, and everything that man and all His creation will ever need or want, to live in the fullness of His provision and vast supply. To add to all His thoughtful creation and provision, He declared His work.

His presence was freely with man and His creation. His glory was in the garden, making the garden beyond our imagination, in its splendor!

He will return to restore everything. The earth shall be filled with the knowledge of the glory of the Lord as the water covers the sea.
