Plague 5: Disease of Livestock – Exodus 9:1-7

Then the Lord said to Moses, “Go in to Pharaoh and tell him, ‘Thus says the Lord God of the Hebrews: “Let My people go, that they may serve Me.

For if you refuse to let *them* go, and still hold them

behold, the hand of the Lord will be on your cattle in the field, on the horses, on the donkeys, on the camels, on the oxen, and on the sheep—a very severe pestilence.

And the Lord will make a difference between the livestock of Israel and the livestock of Egypt. So nothing shall die of all *that* belongs to the children of Israel.” ’ ’ ”

Then the Lord appointed a set time, saying, “Tomorrow the Lord will do this thing in the land.”

So the Lord did this thing on the next day, and all the livestock of Egypt died; but of the livestock of the children of Israel, not one died.

Then Pharaoh sent, and indeed, not even one of the livestock of the Israelites was dead. But the heart of Pharaoh became hard, and he did not let the people go.
Exodus 9:1-7 NKJV

Here in this narrative, we see how the plagues did not affect the Israelites’ livestock!

What a miracle loving God!

See how He protects His people and property!

I believe in the end times, God will show the same protection!
