There is a Sound of War. How Are We to Respond?

“When you go into battle in your own land against an enemy who is oppressing you, sound a blast on the trumpets. Then you will be remembered by the Lord your God and rescued from your enemies.”

Numbers 10:9 NIVUK

War is here! But war has been here since Genesis 3:15. God decreed it and ever since, we were fought. Today the fight is very much visible and atrociously heartbreaking with the display of violence with the intention to dehumanize.

- We must be educated and versed with feet on solid ground in days of war and adversity.
- Let us feed accurate information to mobilize and catalyze effectual prayer for Israel at war.

The wedding bells are ringing, heralding a call to the Bride. As we respond to this shift and call, we may very well be part of hastening the day as Peter states, looking for and hastening the coming of the day of God (2 Peter 3:12). (Global Watch)

The command is to watch and pray.

Pray without ceasing.

Pray at all times with all kinds of prayers.

Pray that you may not enter into temptation!

Pray for all people!
