Isaac Conceived by Abraham and Sarah (Genesis 21:1-7)

Isaac = Laughter

When God's promises come to pass, laughter is the response that will spring up in the wells of our hearts! Verse 6 says, "all who hear will laugh." This was what Sarah said: "God has made me laugh, and all who hear will laugh with me." She also said in verse 7, "who would have said to Abraham that Sarah would nurse children? For I have borne him a son in his old age."

A great miracle indeed! A great proof that "with God nothing is impossible."

We saw the same miracle happen to the parents of John the Baptist, Zachariah and Elizabeth at a very advanced age!

What are these narratives telling us? We better believe God has power to that which we deem impossible to bring to possibility!

How faithful is God? Today as I prepare to write this post, I was totally amazed at this narrative like it's the first time I read it! I keep seeing God in an increasingly powerful way! Not that I have not seen His power before, but because I kept posting on miracles!

My prayer is that you would be WOWED at who God is! Let us be a walking miracle ourselves because we have a miracle-working God!
